At Total Auto, we don't just service vehicles — we support businesses. Our focus on cost transparency, clear communication, fast turnaround, and consistently high-quality workmanship means you can rely on us to keep your vehicle running smoothly, safely, and efficiently. We're committed to being a trusted, long-term partner in your operations.

OUR COMMITMENT TO QUALITY

Pride in our work. Passion for our customers. Confidence in every repair.

“We pride ourselves on assuring the repairs on the vehicles are carried out to the best of our abilities. It’s imperative to our team that customer satisfaction is paramount to everything we do — including having a clear understanding of any work that’s been carried out. We want customers to leave with a smile on their face, knowing they drive away in a safe vehicle.

The Total Auto team are all fully qualified mechanics working together in a happy environment as a close-knit team — and that reflects in the workmanship we provide.”

— Josh, Head Technician
